RE: Public Safety Report / January Totals

Department: Training / Meeting

This weekend, the Pine Lake Police Department will hold our annual department meeting. We will discuss crime updates, and plan for our community outreach initiatives (which foster positive relationships). Review and update any department or city policies. Discuss the Department Training calendar and new state training requirements. Discuss updates to officer assignments. The meeting will conclude with a community Meet and Greet from 12 noon to 1:00 pm.

Rockbridge Road

The Contractor/Snell has been working on the punch list with only a few items left to complete, of the rock wall at the Shell Gas Station and the correct pedestrian signal installation. I made arrangements with the county to replace the missing city limit and speed sign as you enter the city. We can expect that within the next 7 days. I have also been in communication with the county Code Compliance regarding the hanging sign in the plaza next to the post office.

Code Compliance/Commercial

Code compliance is currently addressing "Junk Vehicles" for February. Last week we worked on the Front/Tree side of the lake, this weekend we will be addressing the Back/Flower side of the lake. We continue to monitor and perform compliance checks on new builds and permits. And, are actively working on newly submitted Alcohol license requests.
