## MEMORANDUM

**TO:** Mayor and City Council  
**FROM:** S. Yhudah-Green  
**DATE:** August 29, 2023  
**RE:** Public Safety Report

---

### Department:

- Crime Stats: The department continues to work the theft investigation surrounding the Public Works break-ins (on in custody).
- Preparing to partner with GBI regarding evidence disposal.

### Rockbridge Road Update:

The water line contractor has completed the installation of the 8" and the 24" water mains. Pressure testing and bacteria testing complete. They will complete the "tie ins" and service line switch over within the next 2 weeks. That will complete the waterline for this project.

DWM has their "on call" crew on site to do the tie ins to previous projects on each end. They believe they will be completed within the same 2-week timeline. The prime contractor is coming through doing traffic control checks twice a week and the mowers are scheduled to be here soon. They are doing survey work now to prepare for curbs and sidewalks that should begin sometime next week. The schedule is looking good at this time.

### Code Compliance/Commercial:

Code compliance continues to address Compliance concerns -

### Crime and Public Safety:

DeKalb County schools are back in session. At the request of the school system departments with schools in their jurisdiction keep an extra eye out during the first week for traffic and students.

**Extra: New** Bench and trash receptacle installed at our MARTA bus stop (Rockbridge Rd & Rowland Rd)
