**DATE:** July 25, 2023  
**RE:** Public Safety Report

### Department – Chief Training

\*\*Under O.C.G.A. §35-8-20, all heads of law enforcement agencies must receive their annual training as selected and provided by the Georgia Association of Chiefs of Police.

Myself and over 300 chiefs of Police throughout the state of Georgia attended the GACP Summer Conference. It was an awesome opportunity to network with other members of the organization while receiving valuable training. There were exhibitors onsite dedicated to enhancing law enforcement with products, services, technology, publications, vehicles etc.

#### Note:

#### Rockbridge Road Update:

The water line contractor has completed running the service lines and is in the process of locating and fixing the leak in the 24" water main as well as installing the manholes around the water valves at Allgood Rd and Rowland Rd. This will take approximately 2 to 3 weeks then the prime contractor can continue with their remaining work. Also, the prime contractor has been on site twice this week to maintain traffic control. The project was mowed last Friday. I have been assured this will continue for the remainder of the project.
