List tree (s) to be removed by species, *diameter, location and reason for removal. Add additional sheet if necessary.

How will debris be disposed?

Location of disposal: _____ Disposal Date _____

For trees 18" inches in diameter and greater, provide photo documentation of the tree(s) to be removed, ***including at least two photographs*** of the property showing trees that will not be removed. Optionally, a detailed sketch of the property showing the locations of the trees to be removed and to remain may be submitted.

*Diameter is to be measured at 4.5 feet above ground. The diameter can be calculated by measuring the circumference of the tree and dividing by 3.14.

By my signature, I am agreeing to the above terms and to allowing the City Administrator or designee(s) to inspect the trees on the above property.
